

## Notes

### 1 Principle activity and financing of the Africa Centre of Excellence for Sustainable Mining (ACESM) Project

The Africa Centre of Excellence for sustainable Mining ("ACE" or the Project") is a joint project which the Zambian Government, with the Copperbelt University as the implementing agent, is running the project in conjunction with the International Development Association ("IDA" or the Donor").

The objective of the Project is to support the Recipient to strengthen selected Eastern and Southern Africa Higher Education Institutions in the Recipient's territory to deliver quality post-graduate education and build collaborative research capacity in the regional priority areas.

The Republic of Zambia and the International Development Association (IDA) signed the Project Preparation Advance (PPA) Agreement on 26 May 2016 for total funding of six million United States dollars (US \$6.00 million).

The IDA Project 5803-ZM was approved by the Board of the World Bank on ..... The Financing Agreement was signed on 11<sup>th</sup> May 2017 between the Republic of Zambia and the International Development Association (IDA) and the main Credit will become effective in 2018. The closing date of the credit will be in 2022.

### 2 Statement of Compliance and Basis of Preparation – IPSAS 1

The project's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Zambian Kwacha and US Dollar, which are the functional and reporting currencies of the project. The project has adopted IPSAS for the first time in this financial year.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The financial statements are prepared on accrual basis.

### 3 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these Financial Statements are set out below. These policies have been adopted in the current financial year.

#### (a) Funds

Income is recognized when it is probable that future economic benefits will flow to the Copperbelt University and these benefits can be measured reliably when disbursement link indicators (DLI) have been met.

#### (b) Expenditure Recognition

Expenditures are recognized when they incurred on the goods that have been delivered or service rendered and not necessarily when the payment is affected.
